

2023 Cabernet Sauvignon Pink Napa Valley

WINEMAKING NOTES

FRUIT 100% Cabernet Sauvignon

VINEYARD The Cabernet Sauvignon for this wine was selected from a range of different vineyards throughout the Napa Valley, highlighting a variety of appellations and micro-climates.

HARVEST Harvest Dates: 9/21/2023 -10/18/2023
Average Brix at Harvest: 23.4

WINEMAKING The Cabernet juice was drained from selected lots of freshly crushed grapes. Small lots were fermented at cool temperatures in stainless-steel tanks and stainless-steel barrels. A variety of different yeast strains were used to enhance the fruit characters and texture. Aged on light lees in stainless steel for 3 months with regular stirring. Bottled January 23, 2024

TASTING NOTES Luscious and layered, this Rose of Cabernet is infused with a mélange of fruit and floral characters. Fresh peach, honeydew, strawberry and watermelon are wrapped up in a creamy mid-palate and balanced with bright acidity and a lengthy finish. Perfect with spring and summer fare on a sunny afternoon or taking in a sunset.

DONATION We donate a portion of the proceeds from the sale of each bottle of Cabernet Sauvignon Pink fund mammograms for those who who can't afford them. Enjoy!
